The Child & Babysitting Safety Training program is designed to focus on supervising, caring for, and keeping children and infants in babysitting settings. The program provides fundamental information in the business of babysitting. Proper supervision, basic caregiving skills, responding properly to ill or injured children or infants, and first aid skills. This program is perfect for young people, ages 11-15, who are interested in providing babysitting services to friends and family. There are no prerequisites for the class but CPR & AED certification is always recommended.

The cost of the course is \$100 and space is limited in each class. To pre-register, go to www.lfems.vaems.org.
